RESEARCH INTERESTS

- **Metaphotonics:** Metasurfaces, Meta-holography, and Light-field manipulation.
- **Augmented Reality (AR):** Waveguide-coupled systems, Full-color 3D displays.

EDUCATION

- Huazhong University of Science and Technology (HUST)** *Wuhan, China*
Ph.D. Student in Optical Engineering *Sep. 2024 – Present*
- Co-advised by Prof. Cheng Zhang and Dr. Zeyang Liu.
- Huazhong University of Science and Technology (HUST)** *Wuhan, China*
B.S. in Optoelectronic Information Science and Engineering *Sep. 2020 – Jun. 2024*
- Awarded Excellent Undergraduate Thesis.

PUBLICATIONS

1. **Zhiyu Ning**[†], Zeyang Liu^{†*}, Deqian Zheng, Niu Liu, Hao Gao, Tianzhang Peng, Ziqian Xi, Xinliang Zhang, Cheng Zhang*, “[Waveguide-based four-channel crosstalk-free metahologram multiplexed by diffraction orders](#),” *Nanophotonics*, 15(9), e70078 (2026). [**Featured Cover (Issue 10)**]

PATENTS

1. Cheng Zhang, **Zhiyu Ning**, Zeyang Liu, Deqian Zheng, Niu Liu, Hao Gao, “[A metasurface holographic device, a design method thereof, and an imaging method are provided](#),” *China Patent*, Patent No. CN120276228B, 2026. [**Authorized**]
2. Cheng Zhang, Zeyang Liu, Erning Liao, **Zhiyu Ning**, “[High-order chromatic dispersion matching-based broadband achromatic metasurface device design method](#),” *China Patent*, Pub. No. CN120577961A, 2025. [**Under Review**]

HONORS AND AWARDS

- **Third Prize for Oral Presentation**, 2025 China Optics Valley · Optoelectronics Undergraduate and Graduate Academic Exchange Conference *May 2025*
- **Excellent Undergraduate Thesis of 2024 Graduates**, HUST *Jun. 2024*
- **Third Prize for Oral Presentation**, 2024 China Optics Valley Optoelectronics Undergraduate Forum *May 2024*

SELECTED PRESENTATIONS & NEWS

- **Cover Article:** Paper in *Nanophotonics* selected as Featured Cover *May 2026*
- **Official Publication:** Paper officially published in an issue of *Nanophotonics* *Apr. 2026*
- **Oral Presentation:** 2025 China Optics Valley · Optoelectronics Academic Exchange Conference *May 2025*
- **Flash Report:** The 4th AI Photonics Technology Symposium *May 2025*
- **Poster Presentation:** The 5th Anniversary Academic Forum of Advanced Photonics *Jul. 2024*
- **Oral Presentation:** 2024 China Optics Valley Optoelectronics Undergraduate Forum *May 2024*
